

**Start with a c and then  
go upwards all the way.  
Go straight back down again  
and hooray – you made an a!**

**Go straight down and  
halfway up again neatly.  
Then all the way around and join  
to the bottom to make a b!**

**Start drawing a circle  
and curl around slowly.  
Stop before you finish  
and it makes a c!**

**Start with a c then  
climb a tree.  
Come back down  
and you have a d!**

**Start in the middle and  
go across carefully.  
Then curl like a snail,  
and you have an e!**

**Curl the top, go straight  
down and swing to the left.  
Go back up and cross  
the belly of your f!**

To begin writing a  
g you need a c.  
Then go down and make  
a tail for a little monkey!

**Start at the top, go straight  
down and back halfway.  
Then over a hump and down  
to the line to make an h!**

**Go straight down, then  
take your pencil off to fly...  
Right up to the top, draw  
a dot and you have an i!**

**Go straight down, under the  
line and then which way?  
A tiny curl to the left, then  
fly to the top and dot your j.**

**Whoosh up tall and back down.  
Go halfway up and around.  
Go down and out with a flick.  
Your k is ready to kick!**

**Start up high and then go  
down - you're doing well.  
Then the tiniest curl to the  
right and you have an l!**

**Start at the top, down, up,  
over and down again.  
Up and over and down once  
more to finish your m!**

**Start at the top, go down,  
then up and then...  
Go over and down to the bottom  
and there you have an n!**

**Start at the top and go  
anti-clockwise, carefully and slow.  
When your circle comes back  
to the top you have an o!**

**Start at the top, go down under the line and then back neatly. Then draw a curve that joins onto your line to make a p!**

**Start with a c, go up, then  
down, then what do you do?  
Go under the line then flick  
to the right to make a q!**

**Start at the top, go down  
and up but not too far.  
Then draw a small curl at the  
top to make your perfect r!**

**S is bendy, s is curly,  
s thinks it's best...  
To curl left, right,  
left to make an s!**

**T isn't tall and it's not  
small, it's in between.  
Start at the top, go down  
and curl, then cross your t!**

**Start at the top, go down, bend  
to the right and go up – woo!  
Go back down and then  
you’ve made the letter u.**

**V is made of lines, no curls  
or bends or humps to see.  
Diagonal down and then  
back up to make a v!**

**Just like a v, there's only  
diagonal lines to do.  
Down, up, down, up is  
how you write w!**

**Start at the top and draw  
a diagonal line from the left.  
Jump back to the top, go from  
right to left and you have an x!**

**Go down, bend to the right  
then head up to the sky.  
Go down, under the line and  
swing left to make a y.**

**Start on the left and go straight across the letter's head. Then diagonally down then from left to right to make a z!**
